THE WEEKLY DIGEST

May 6, 1973 Section TWO Vol. 65, No. 18

INDEX TO VOLUME 64

JULY THROUGH DECEMBER 1972

Items in QUOTE are arranged alphabetically according to subject matter. In the semi-annual index, the first numeral in each reference indicates the page, therefore "ABSENTMINDEDNESS—243," tells you that an item on Absentmindedness will be found on page 243.

One or more letters following a page number, refer to material in regular departments. For example: "AMBITION—131-SB;" indicates that an item on that subject is in Scrap Book on page 131. The reference to "ACTORS, Autographs—66-b;" means that an item on that subject will be found in the the regular Good Stories section on page 66 under index letter b.

Quotations in the section May We Quote You On That? are also numbered and a reference such as "ACCIDENTS, Mine—25-5Q" refers to a quotation on that subject on page 25 in the May We Quote . . . section. When the letter "t" follows the Q as in the reference "COMPUTERS, Health Diagnosis—72-1Q-t;" it indicates the special Quote-ettes feature on page 72.
